SURVIVING HAZARDOUS CONDITIONS

THE CUSTOMER

- DND is responsible for defending Canada's interests and values
- Maintaining international peace and security
- Could tell you more, but we'd have to kill you

National
Defence

Défense
nationale

THE NEED

- DND required a customized security tape label for their outdoor Hazardous Waste Program
- Technicians needed to record critical maintenance information
- Needed the ability to write on weather-proof material
- Encapsulate and preserve material for records

THE CHALLENGE

Must Protect Against:

- Wear and tear from industrial equipment
- Harsh Canadian winter weather
- Direct sunlight
- Extreme heat
- Harsh chemical splashes

THE SPECIFICATIONS

- No. 754 with Permanent Adhesive
6 mil yellow validation

THE SOLUTION

- Created a durable, customized butterfly label using a specialized coated substrate
- Label has a clear protective self-laminating cover (to protect against the elements)
- Inks resist the most extreme conditions
- Aggressive backing adhesive
- Mission accomplished!

WHAT CAN LINC DO FOR YOU?
